

December Tips for 4-H Parents

559-852-2730

Get Ready for February!

What Do You Need to Know About 4-H in Kings County?

- ◆ There are 12 local 4-H clubs in Kings County with more than 330 members.
- ◆ The Kings County 4-H Program is operated by the University of California Cooperative Extension Program staff in cooperation with the Kings County 4-H Council made up of volunteers.
- ◆ The county program has a calendar of countywide 4-H events to supplement what happens in local projects and clubs.
- ◆ The calendar is posted on the website.

Why participate in a county event?

- Families from different clubs have the opportunity to meet and get acquainted.
- Members develop a sense of pride in representing their club.
- Members have chance to learn a new skills.
- Awards can be earned and record book credit received for attending.

Three County Events to be Held on February 22

Open to all 4-H members!

Presentation Day - learn to prepare and deliver a talk or demonstration.

Favorite Foods Fair - plan a nutritious meal and prepare one of the dishes for the judges.

Place Setting Contest - create a decorative place setting for a special meal.

All 3 of these events are held at Hanford West High School on the same day.

Visit the web site to get more details.
