

# **BROCK JARRETT TOLEDO MEMORIAL SCHOLARSHIP GUIDELINES**

The Brock Jarrett Toledo Memorial Scholarship was established by his family in 1996 as a way to honor him and to keep his memory alive, following his unexpected death. An accident occurred on the family dairy, while he was out practicing dairy cattle judging with a group of his peers. Brock was an eighth grader at Kings River Hardwick School and was active in 4-H, the California Jr. Holstein Association, Little League Baseball, as well as local and travel soccer leagues. Brock was a fun loving, kind person. He was also a fierce competitor in the showing. His work ethic and determination applied to everything that he did.

Applications are carefully reviewed and the recipient is selected by Brock's family. The scholarship will recognize the achievements of a graduating senior who shares Brock's characteristics: Enthusiasm, leadership, work ethic, and love for agriculture - especially the dairy community.
