TBD – County Fair Dog Show

All regular Project Meetings will be held at the Kings County Fairgrounds from 2:00-3:00 PM and may be subject to change.

What is Dog Care?

Using positive reinforcement 4H members and their 4-legged friends will learn basic skills for training, show and dog care.

Activities will focus on knowledge of different breeds and their characteristics as well as basic canine anatomy, grooming, showing, training and the canine roles within our society.

Members are always encouraged to get even more involved by providing new ideas for project meetings, events and service projects.

For more information Contact: Heather Thomas (559) 816-1924 or hnthomas.2002@gmail.com

For training resources, events and information join our project then look for us on Facebook at:
