The committee will donate them to various hospitals around the state after being displayed at the State Fashion Revue Contest on May 28, 2011.

The pattern we are using is free and you can find it on the internet from Lazy Girl Designs at: <http://www.lazygirldesigns.com/hospitalgown.php>.

## SELF DETERMINED FRY!

*By: Allison Mendenhall*

This year's koi breeding took place on May 29th and the fry hatched on June 1st. So far the fry are growing very well and are 1/2" after only two weeks! This is the best growth they've had in all my koi breeding attempts. This year's hatch rate was low, giving me only maybe a thousand when there's usually ten thousand or more! The good news is that this year's fry have better food, being fed frozen Cyclops, algae wafers, yeast, and daphnia, which is a live food. To see how this year's koi breeding is going, go to [www.koijazz.webs.com](http://www.koijazz.webs.com). Make sure you check it often as it's in the process of being redesigned!

## CONGRATULATIONS KARLI DRAXLER!

Congratulations to Karli Draxler from Central Valley 4-H Club. She will be representing Kings County as one of the 18 4-H members selected as 2010-2011 State Ambassadors. The California 4-H State Ambassador Program is a working honor that provides 4-H members expanded opportunities to serve the University of California 4-H Youth Development Program. The 4-H State Ambassador position is one of the highest service opportunities and recognition attainable in the University of California 4-H Youth Development Program. 4-H State Ambassadors are youth who have excelled in the areas of leadership and community service, and have been selected to serve the 4-H Youth Development Program in roles that promote leadership through education and service. Karli will start her term on July 1, 2010 and attend her orientation July 9<sup>th</sup> at Point Bonita Conference Center in Sausalito, CA, right next to the Golden Gate Bridge. Good luck Karli, we know you will do us proud!

## 2011 WESTERN REGIONAL 4-H LEADERS FORUM

### New Leaders Orientation

All adults who are enrolling as 4-H leaders for the first time (project leaders, assistant leaders, club leaders, etc.) must attend an orientation before being officially appointed as a leader.

Please contact Denise at [dhuendett@ucdavis.edu](mailto:dhuendett@ucdavis.edu) for the dates and times for New Leaders Orientations.

### Kings County 4-H Resource Leaders

What does it take to be a resource leader? Knowledge of a certain project, willingness to share this information with others, and a little training presentation and you are off and running. Please consider helping in this area. It will become apparent in the coming year with Project Proficiency Awards to be developed. We will look to people with the expertise in that project. The application is on the website or contact Denise at the office.

### YEAR-END CLUB REPORTS AND CLUB AUDITS

Club officers and leaders should remember that year-end reports for your club are ***due August 13th***. Don't forget to appoint an audit committee for your club soon, as all club treasuries must be audited each year. You will return with a deeper understanding of the 4-H mission, a stronger sense of what has to happen to accomplish it, and an expanded capacity to make it happen.

Cost for a double room is \$106 - \$124 per person per night, including meals. Further information will be available at:

<http://ca4h.org/conference/slf/>. Registration is \$45. Individual meals may be purchased at the front desk.

If you wish to stay and eat off-site, the conference registration is \$45. Individual meals may be purchased at the front desk.

### **Procedure:**

**Aug. 31, 2010** Applicants submit a plan for their Emerald Star Program. Interviews will be on **September 10, at 6:00 p.m.**

**Sept. 2010 - June 2011-** Projects must be completed during the 2010-11 club year. Members wishing to apply for All Star in 2011 must complete their project before applying in April.

**Ideas for Emerald Star Projects:** Organize a county-wide project workshop or field day or some other type of county-wide activity. Plan and conduct training at local 4-H clubs on selected topics such as presentations, record books, officer training, citizenship, etc. Organize and conduct a 4-H outreach program to tell more young people about 4-H. Be creative! Be sure to include others in your plan so you can demonstrate your ability to provide leadership to others.
