**RESPONSE TO THE
 JAPANESE DISASTER FROM
 THE STATE 4-H OFFICE
 HOW CAN YOU HELP?**

Many people are worrying about their friends in Japan. Our office and many Labo tutors and families are receiving emails and calls from people in the US (former HF/delegates, states, and 4-H clubs) who want to mail things to Japan. We appreciate everyone's kindness and concerns. Right now, though, the primary problem is not one of supply, but of distribution. There seems to be enough emergency relief items in other parts of Japan; however, due to road blocks, it's challenging for the government to deliver the supplies to the affected areas.

Unfortunately, there is no mail going to Miyagi-ken at this time and people are not in a position to store or ship anything at this time. Jill Holmgren, State Coordinator from Alaska, is in Japan now, and she said "It is worth letting U.S. people know that *from what I can see here, there is no point in sending blankets, jackets, other items etc as they cannot get to the people who so desperately need them. The militaries from many countries are in northeastern Japan, bringing what food and blankets they can, with helicopters.*

Here are some ideas for how you CAN help:

According to the Japanese government website and other announcements in Japan, the best way to help is to contribute donations to the **Japanese Red Cross** (please see link below).

Think about what you might want to **send later**, in a couple months or more, to show that you are thinking of your Japanese friends.

The States' 4-H administrative office in Seattle suggests that:

A good form of non-financial help is for state programs to **submit the Japan Summer Host Family applications as soon as possible**. This will give the youth something to look forward to amidst the chaos, and will surely alleviate the anxiety they feel when placements are last minute. Also, by placing all of our youth quickly, we will reduce the burden on Labo staff, who are probably feeling overwhelmed by this tragedy.

Click on this link to be directed to Google's Crisis Response page, where donations are being collected.

<http://www.google.co.jp/intl/en/crisisresponse/japanquake2011.html>

The amount of the donation should be entered in Japanese Yen. For reference, \$10 is approximately 800 Yen, and \$25 is about 2,000 Yen. (The website www.xe.com is an easy-to-use currency converter.)

Thanks for your inquiry.

We would appreciate your help. Make a quilt square, a quilt top, or a complete quilt for a wounded warrior.

Special size for stretchers and gurneys, approximately 45 x 81 inches, are needed. Red, white and blue fabrics are preferred.

If you make 12 1/2" x 12 1/2" squares then they can be combined with other squares to make a whole quilt.

Youth are invited to sew squares together and quilt during the morning of SFF workshop. Please contact Lisa Kuntz, creulgirl101@yahoo.com or Mary Engebretth at: maryengebretth@comcast.net

SHOOTING SPORTS Kings County 4-H Fair Archery Camp/ Archery Match Results

It was high noon on April 16th when our adventure started at the Fresno Field Archery range in Dunlap, California. We learned about field archery range safety, did a safety check of our equipment, learned field archery target scoring, and did some practice shooting. Then we had some lunch; cheese burgers, chips, and home made brownies. Over head we had a lot of skyward entertainment. We saw over fifty paragliders in the sky above our camp. It was exciting to watch them. A few even landed in a pasture just over a nearby hill.

Next, we were off to shoot on the red range, a scenic and well shaded range. Several families went on this excursion. The moms were especially enjoying the scenery and hiking. We shot at different distances from fifteen yards to fifty yards, two arrows per target, and we shot at thirty different targets. There was a choice of shooting at a three ringed target or a paper animal target and everyone had a lot of fun.

When we got back to camp it was time to pitch our tents and get ready for dinner. We had worked up a good appetite and enjoyed what our head chef had barbequed; tilapia and gourmet beef patties.

We had sides of green salad, beans, and sautéed onions. For dessert we had the makings for s'mores, but, of course, everyone elected for just the bar of chocolate. It was getting cool and late at night so it was time for bed. While in my warm sleeping bag I could hear the water running in the creek, the frogs croaking, crickets chirping, and an owl hooting; all the experiences of the great outdoors.

Everyone slept quite soundly and awoke to a beautiful sunrise and the smell of breakfast cooking. We ate well in preparation for the day. We had pancakes, sausages, eggs, date and nut bread, coffee, and juice.

The archery match started off with sign in, equipment check, and some practice shooting. The 4-H participants learned how to score a field archery target and then we posed for a lot of pictures including several for the Hanford Sentinel. The archers broke up into several groups with many adult supporters in each group. We shot the white course for the tournament, two arrows per target, and thirty targets. Everyone enjoyed the day and had a lot of fun. Once all the scores were tallied, medals were awarded to the competitors. The day ended with a barbeque hamburger lunch.

4-H THRIVE

Thrive is defined as "to grow vigorously and healthily". California 4-H is a community made up of young people who thrive. 4-H Thrive is an opportunity to provide volunteers, staff and youth with concrete tools that more intentionally and consistently help youth to reach their full potential. 4-H Thrive is not a new program or project but rather a progression in the development of promising practices in positive youth development that clearly translates theory and research into action to support youth to thrive. 4-H has received a generous donation from the Thrive Foundation for Youth to help foster this transition from theory to action. In partnering with the Thrive Foundation for Youth, California 4-H Youth Development is at the forefront of defining how the evolving research and practices of positive youth development fit together to benefit the youth of California. Thrive coming to Kings County soon!

2011 INTERNATIONAL EXCHANGE

California 4-H is looking for families who would like to host an international student in their home for one month this summer. The international students range in age from 12 and 19 and come from Costa Rica, Japan and Norway.

Applications are being accepted now. Students are placed in homes with a youth of the same gender and within two years of age. The application provides information to help ensure good placements with families and teens sharing common interests.

You don't need a fancy home or a separate bedroom to host—just a desire to make room in your lives for a new friend., and you don't need to spend a lot of money or time traveling the state as the students are not here as tourists. They are here to live with your family and participate in your normal summer activities. The costs are minimal. The students come with their own spending money and medical insurance.

Please consider offering this priceless educational experience to your family. Teens that participate in exchange opportunities are better prepared for life in a global society. Through this first-hand experience, they gain a deeper understanding of another culture and gain insight into the values and lifestyle of their own family and community.

Applications for Norway need to be completed by February 28, Costa Rica by March 30 and Japan by May 1. Placements for the Japan program are on a first-come, first-served basis. For additional information go to : <http://www.ca4h.org/Projects/Citizenship/International>

For more information, contact Pat English, California International Exchange Coordinator, at (530) 754-8520 or pnenglish@ucdavis.edu

ST VINCENT DE PAUL DRIVE

The All-Stars from Kings County 4-H, Alicia Couto and Megan Dias, sponsored a drive to donate clothes, non-perishable food items, along with money to St. VINCENT de PAUL in Hanford, CA.

The drive was held on our annual Presentation Day at the Hanford West High School cafeteria on February 5, 2011 in conjunction with Favorite Foods Fair and Place Setting Contest, as a county-wide community service project.

4-H members brought in \$41.00 in cash donations, 1 sack of non-perishable food items, 2 boxes plus 11 fifty-five gallon bags of clothing and other miscellaneous stuff.

St. VINCENT de PAUL staff were overwhelmed that Kings County 4-H members collected and donated as much as was brought in. The donation was so large that it had to be divided in half in order for them to be able to sort and process it at their store.

Date	Time	Location
Sat 5/7	2-4 pm	Dairy show arena

Please bring your dog to every meeting, unless otherwise instructed not to do so. All dogs are to be on a leash and **MUST** have a metal choke collar, or a pressure collar if control is an issue. Harnesses, nylon collars, or leather collars are **NOT** acceptable training equipment.

Dogs that do not have the appropriate training collar will not be allowed to participate in the class due to safety concerns.

It is acceptable and encouraged that the members bring dog treats to be used as training aids provided that the use of treats does not cause disruption to the training process.

DOG SHOW

Hey all 4-Hers! On May 7, 2011 the Dog Project is going to have its show for the 4-H fair. We will be showing our dogs in showmanship, obedience, and agility. If you have ever seen the American Kennel Club Dog Shows, then you know what showmanship looks like. If not, then you stack your dog and present them to a judge, and you are judged on form and obedience.

Obedience is showing how obedient your dog is when you command it to sit, lie down, and stay. And agility is like what you see in the Purina Incredible Dog Challenge where the dogs are going over and through obstacles. We will start our show at 9:00 a.m. on May 7th. Everyone is invited to come watch and support the 4-H Dog Project. So come on down to the Kings Fairgrounds and let your day go to the dogs!

KINGS COUNTY HOMECOMING & HISTORY DAY

May 9-14, 2011

Kings County Homecoming is a week-long series of events celebrating the "Pioneer Spirit: of those who first came to the San Joaquin Valley and settled in what is today called Kings County. Each year for the past 84 years we have celebrated this spirit by holding various events throughout the county and by honoring select long-time residents from each of the communities within the County as our "Royalty."
