May Report

The meeting of the Lemoore 4-H club was called to order at 6:31 p.m. on May 9, 2012, at Cinnamon Elementary School. After the Pledge of Allegiance and our 4-H Pledge lead by Dalton Garcia, we continued with club reports. Club Leader Report from Mrs. Barry was happy to express another exciting year for many of our members that entered exhibits and/or brought a project to show at the 4-H Fair. Allison Mendenhall gave an interesting speech to our club about her FRY project. She has worked with this project for years and talked about how the fish eat, what they need in their food, and other issues. It was interesting. There was a great turn out and congratulations to all those who competed.

We also announced to our club that Mrs. Barry was awarded a 15-year achievement award for all of her time and knowledge she has provided our club in Lemoore. Way to go Mrs. Barry, keep up the good work. We also made birthday announcements for everyone with a May birthday, with a gift bag and well wishes from our members.

In old business, we discussed Project Reports, which included the Archery Match, Reptile Projects, Dog Care, Swine, OH and Poultry. New Business discussions were about Kings County Fair, and preparations for it, then following discussions were about California State Leadership Conference and then Project Leader’s Reports.

Finally, our club had our officer’s speech for those running for an office for the 2010-2013 4-H year and then we all voted. It was a busy night.

Happy Mothers day to all 4-H moms. Thank you for all you do, from Lemoore 4-H

The meeting was adjourned at 7:25 p.m.
