About 4-H Record Books
The 4-H program has a long history of record keeping. The focus reflects the importance of this life skill in our daily lives. Completing a 4-H Record Book is a process where you record project and club work using a standard format.

Why have 4-H Record Books?
Completing the Personal Development Report in the Record Book provides you an incentive for participation, learning, and achievement.

Benefits of completing a 4-H Record Book:
- Practice Records Management
- Reflect on your yearly work
- Measure your achievements and growth throughout your years in 4-H.

4-H Online Record Book (ORB) - Login

Calendar Committee Report
In May, we met to discussed the 2018/2019 4-H Program Year Calendar. We have also had a few suggestions come in from members that were unable to attend the calendar meeting. We appreciate your input. Please send us any calendar updates you have for county, club, or project events. The Calendar will then be submitted to the 4-H Council for approval.

- Interested in attending the 2018 Livestock Quiz Bowl and possibly qualifying for a National Competition? It has been proposed to move Judging Day to September to allow Senior Members to qualify for the Livestock Bowl held in October.
- Fashion Revue has been moved back a few weeks in hope that our kids will not outgrow their garments before the State Competition
- 4-H Fair will be set once we have the 2019 Kings Fair Dates
- Kings County is set to host the Sectional Presentation Day this program year.
- Want to start an event? Check out the 2018 State Field Day competitions and design your event to align with next years events. State Field Day

The 2018 / 2019 4-H Program Season is HERE!

4-H Enrollment for 2018-2019 is Open!

July 1st marks the start of a brand new 4-H year, and it is time to think about re-enrolling in 4-H! The California 4-H Online enrollment system is now open. Please click on the link below to enroll for the 2018-2019 year.

Returning 4-H members and leaders, must use the same family email address that has been used in the past. Please do not create a new email or family. If you do not remember the family email address you used, please contact the UCCE Office at 852-2730. If you have forgotten your password, simply click on "I forgot my password" and a new one will be emailed to you. Click here for instructions to enroll.

2018-2019 4-H Program Fees

$12.00 per leader (instead of $18.00)
$44.00 per member (instead of $54.00)

Fee waivers are available for those members who need assistance with the program fees. A fee waiver form must be completed and submitted to the UCCE Office for approval. Click here for the fee waiver form.

We are thankful for the Kings County 4-H Sponsoring Committee’s contribution towards lowering the program fee cost for our members and leaders. Thank you!

Primary Members - 4-H Ages* 5 to 8
Youth Members - 4-H Ages* 9 to 18

* Your "4-H Age" is your age by December 31 of the 2018

Volunteer as a 4-H Leader!

As a 4-H volunteer, you are important to our youth with "learn-by-doing" instruction. You will work side-by-side with 4-H youth, where you grow together in shared responsibility and decision-making.

** The Volunteer/Leader Training is back this year. Once you have enrolled as a volunteer, you will be emailed further instructions on how to complete the training.

This year Returning Volunteers will have a 25 minute refresher training and New Volunteers will have to complete the entire training session (approx. 2 & 1/2 hrs)

The training is online through eXtension or stay tuned for a county offered “in-house” training.

All leaders must complete the training to be an Active 4-H Leader.
(Livescan prints and interest survey must also be done to complete your volunteer enrollment)
Great Job to all the Kings County 4-H Members that Participated at the 2018 CA 4-H State Field Day!

Mid Valley had a wonderful time at the Kings Fair this year. We had many entries from our group including swine, dog show, and lots indoor exhibits and many more. Kortney Rhoads showed her pig, she placed 7th in her market class and 6th in showmanship. Addison Fagundes participated in the dog show where she won 2 first place ribbons and 3 second place ribbons. Addison entered cake decorating were she received Best in Class and a first place ribbon. Frankie Fagundes entered into the dog show and received a participation ribbon. Lillian Barcelos won a medal at the state fashion review in the See It Sew It category. She also received outstanding indoor exhibitor reward and Best in Show for scrapbooking. Austin Barcelos won first place and 15 pounds of butter in the California butter contest with his aunt Pats bars. Jillian Ramirez received Best of Show and Best of Division for her under the sea themed cake, she also received Best in Show and Best of Division for her model of the mission San Luis Rey de Francia. Jillian had 12 entries in the indoor exhibit hall. She received 11 first place ribbons and 1 second place ribbon. We had many other members who entered the Kings Fair events and did a fantastic Job as well. Over all Mid-Valley 4-H had a great time at the Kings Fair this year and look forward to next year!

I pledge my HEAD to clearer thinking, my HEART to greater loyalty, my HANDS to larger service, and my HEALTH to better living, for my club, my community, my country, and my world.
Countywide Dog Project

Congratulations to the Dog Project Members that participated at the Kings Fair Dog Show and Round Robin!

Do you want to start a new project in your club? Do you need help to organize your meetings and lessons. I am placing an order for 4-H Curriculum. Send me any information on what you need or any project that you want to start up and I will be sure to add the curriculum to my order. Thanks ~ tawatkins@ucanr.edu

We want to hear what our county 4-H projects have been doing. Designate a project member to write a short article for the monthly Youth Talk. Submit your article to tawatkins@ucanr.edu by the 3rd Friday of the month.

CARING COUNTS

My name is Angelina Raulino, I am 13 years old and this is my 5th year in 4-H. For my Emerald Star Project, I am making starter bags for the Barbara Saville Women Shelter in Hanford. It is a difficult time for the women and children as they enter the shelter and I would like to create starter bags with the basics, to help get them started.

Some of the items that I would like to include in the bags are:

- Toothpaste
- Toothbrushes
- Soap
- Travel size shampoo
- Travel size conditioner
- Travel size hand lotion

Ways you can help:

- Donate items, this is a great way to go through and find good uses for the hotels items.
- Donate cash to purchase the items
- Share this flyer with others

Donations can be dropped off at:

- UCCE office, 680 Campus Drive, Suite A, Hanford CA 93230
- Call 559-362-1059 or email: caringcounts2018@gmail.com to make arrangements for pick up
- Bring to the Make Starter Bag Day on June 23, 2018 at 1:00 pm at Lemoore Trinity Small Hall, 425 Champion St, Lemoore CA 93245. This is the final day for this project.
Hi! I’m Amanda Curtis and I’m a 5th year 4-Her from Corcoran. Eight years ago, I was adopted. When I first came to live with my family, I didn’t know they would be my forever family. I didn’t know what would happen to me. Now life is a lot different, but I want to help kids going through what I went through.

There are about 300 children in foster care in Kings County — they need support and hope and I want to help with my project.

I am making and collecting pillowcases for Kings County Foster kids. How you can YOU help? It’s easy! You can:

1) Sew a pillowcase* or cases to donate.
2) Donate fabric or funds for fabric.
3) Share this flyer with others.

*Directions for the pillowcases can be found here:

Donations can be dropped off at the Kings County UCCE/4-H Office, or at Sawtelle & Rosprim Machine Shop in Corcoran. For more information, contact Amanda Curtis at:

Sunshine! Barbecues! Fireworks! Who doesn’t love a good Independence celebration? For many of us it’s not just about celebrating our great nation and proudly displaying your red, white and blue but it’s also about spending time with family and friends, being outdoors and of course seeing the fireworks?

Here are some suggestions for making your 4th of July a little healthier.

* Wear Sunscreen. Although being outside in the sun is a great way to absorb some healthy Vitamin D, make sure to use sun protection from harmful UVA and UBV rays. Studies show that sunburns increase risk of skin cancer by 12 times!

* Stay hydrated. Drink plenty of liquids throughout the day. Being properly hydrated will help you feel better and also keep you feeling full. Have healthy drink options available such as tea or water with lemon or fruits. Stay away from caffeinated and sugary drinks that dehydrate you. You can also snack on fruits and vegetables with naturally high water content like watermelon. Fresh fruit is packed with vitamins, fiber and water.

* Eat light. No one wants to eat a heavy filling meal when you’re outside in the heat. Make salads and sides your main course. Use small plates. Research shows that people who choose smaller plates eat less without even noticing it. You will probably be snacking all day, so make healthy snacks like veggie sticks readily available. Try salsa or greek yogurt based dips.

* Start an active tradition. Be it an annual family football or basketball game, lawn game, neighborhood volleyball game or pre-dinner hike, an annual activity will be a welcome event to any July 4th celebration. Not only will it get everyone’s blood pumping but it will also give you stories to share for years to come!

* Watch out for salmonella. Fourth of July picnics and parties can provide the ideal climate for the bacteria’s growth, which can lead to food poisoning. When dealing with food in warm weather remember to refrigerate or freeze perishables immediately and cook food at recommended temperatures to kill bacteria. Wash your hands in hot, soapy water for at least 20 seconds before preparing, serving or eating food. Thoroughly wash plates, utensils, cutting boards and countertops after contact with raw meat. Avoid leaving food standing for long periods of time.

* Skip sugary desserts. This is the season when tons of fresh fruit is available from the grocery, farmers markets and fruit stands. Cut up strawberries and melon or grilled peaches will satisfy your sweet tooth without adding unnecessary processed sugar.

* Think before you drink. Although they may be tasty and can add to the social atmosphere, these drinks contain a lot of calories and can cause dehydration. You don’t have to skip the adult beverages altogether, but choose healthy options and limit your consumption.
