

New 4-H Leader Letters

A message from the Kings County UC Cooperative Extension Office

Issue #1 2/27/2007

Welcome! This is the first issue of the *New 4-H Leader Letters* from the Kings County U.C. Cooperative Extension Office. We hope you are off to a good start for this year.

Please let us know if there is anything we can do to help you have a more successful experience.

Below are some things to keep in mind.

Tuesday, May 22 is **Leader Recognition Dinner**. Club members serve dinner as a thank you to our leaders and sponsors.

Kings County 4-H Fair Books will be distributed to the Community Club Leaders at the March 6 Council Meeting.

There is **no uniform requirement** in the 4-H Program. A uniform cannot be required for participation in any 4-H program sponsored activity, event, meeting or occasion. Fairs do not fall under the jurisdiction of the 4-H Program, and may require their own clothing for showing. Check with your local fair for specific details.

By **volunteering** in the Kings County 4-H program, you enable all youth to reach their fullest potential through:

- Developing citizenship, leadership, and life skills
- Learning by doing
- Utilizing the knowledge and resources of the land-grant university system
- 4-H enables youth to have fun, meet new people, learn new life skills, build self-confidence, learn responsibility, and set and achieve goals!

Thank you for volunteering in Kings County 4-H!
