As a new 4-H leader you may find the website a useful tool. **Kings County 4-H**
Website= <http://cekings.ucdavis.edu/4%2DH%5FProgram>

Things you might find useful on the website:

On the side bar menu:

- **Youth Talk** 4-H newsletter-information each month about what's happening in the county
- **4-H Forms**-check here before you make the drive to the office
- **County Events**-Who-what-why and how of 4-H events in Kings County
- **Record Book forms**-This will be one you need to look at soon
- **Presentations**-Kings County Presentation day is February 9, 2008

On the table on the front page I would make sure to look here first:

- **4-H Volunteer Information**
- **New Members**
- **Current Members**
- **4-H Kings County Council**

Under the 4-H Volunteer Information:

- **Project Leaders Digest** (you received this at orientation)
- **New Leaders Tips** (your own newsletter)
- **New Leaders Page**

Under the New Leaders Page:

- **Project Completion Requirements**
- **Resources**
- **Safety information**

Thank you again for volunteering for the Kings County 4-H program. Hope this helps you to start to use the website as one of your project leader's tools.
