## ~To Participate in Madness~

The Kings County 4-H Madness event will offer 4-H Clubs the opportunity to be proud of their involvement in 4-H. It will also provide a chance to share their knowledge and skills with other 4-H members and those wishing to learn more about 4-H with the desire to join.

This event will be held at the Thursday Night Marketplace in Downtown Hanford, and is be open to the public, so let's show that 4-H Spirit and Pride. Every 4-H club and members are invited to participate in this event in the following way(s):

- **Informational/Outreach Booth:**

This is an opportunity to promote 4-H to the public, and discuss new opportunities with existing 4-H members.

Topics may include but are not limited to: specific project areas, new and unique projects, community service, leadership etc. Handouts and visuals are encouraged.

- **Project Activities:**

Presenters will have hands-on activities for participants. Examples: Sheep group- wooly pins made from real wool, Rocketry project- launch water rockets, Healthy living- lead some fun exercises, make smoothies etc.

- You may choose to come and enjoy all of the activities and be a participant!

### **Booth Information:** *4-H Space-not yet determined*

Clubs will need to provide their own table, pens for animals, pop-up etc. If electricity is needed, clubs will need to provide a generator. (Clubs/projects may wish to share a pop-up.)

All booths must be identified by Club and Project/Activity. You may use a banner or poster board.

Presenters are encouraged to wear clothes that identify them as a 4-H member.

Each booth is responsible for cleaning up their space before leaving.

\*\*Hopefully each club will be represented at this event and can provide information on projects offered etc.

**Enrollment:** County Staff from the UCCE Office will be available to answer questions and talk about enrollment and program fees.
