Cotton Workgroup Meeting

University of California Cooperative Extension, Cotton Incorporated-State Support Project and California Cotton Alliance are presenting a Cotton Workgroup Meeting on Tuesday, May 18, 2010, at the Tulare County Ag Building, 4437 South Laspina Street in Tulare. The meeting will begin at 8:00 A.M. and conclude at approximately 4:00 P.M. A sponsored lunch will be provided for attendees.

Topics for discussion include: Weed Management Research, Deficit Drip Irrigation Management, Update on Pollen Flow Studies, Irrigation Management Projects, USDA-ARS Shafter Program Updates, Entomology Projects, Seed Pathology and Field Pathology Trials, Fusarium Updates, Pest Management Topics, Harvest Aid Management Studies, and Variety Trial Updates.

Two and one-half hours of continuing DPR education credits and five CCA continuing hours have been approved. For more information, contact the Tulare UC Cooperative Extension Office at (559) 684-3300.
